Mission Statement

With its unique emphasis on collaboration, the LoveLeighGroup of Companies (LLG) is Streamlining integration & empowerment across Africa & the world.

Our Story

Our founder Kenny-Leigh Malgas has been working in & around Integration for over 9 years. He's a passionate & tireless visionary who perceives an urgent need for the integration of wellness at the intersection of people & business.

Our Product & Service lineup across 7 entities reflects Kenny's keen solution approach to the need.

The 7 Entity Design

The LLG Family of companies are creating a future of unprecedented collaboration with its strategic partners. This is the key to enhancing our products & services, along with world class employee & customer experience.
